I just wanted you to know how much I appreciated your fight on behalf of the National Endowment for the Arts yesterday on the floor of the Senate. Your remarks about the economic impact of the arts were right on target.

I speak for everyone here at the Endowment and artists throughout the country in saying that you stand second to no one in your constant and loyal support of this agency over the course of its twenty-nine year history. You are always there when we need you, and we are very grateful for your support.

Thank you again.

Warm personal regards,

Jane Alexander
Chairman
